S.T.E.A.M. Labs Stadium Tour & Arizona Bowl

What an incredible day at the S.T.E.A.M. L.A.B.S. Stadium Tour! Our Scouts were treated to an exclusive look into the world of sports and entertainment, exploring dynamic 21st-century career opportunities. From interactive learning activities to stepping onto the floor of the Arizona Wildcats Basketball Arena, this experience was nothing short of unforgettable. A heartfelt thank you to the event organizers for crafting such a fun and educational adventure for our youth.

The Arizona Bowl was an exciting showcase of Scout pride and community spirit! Our Scouts proudly carried the Catalina Council flag during the parade, representing our organization with enthusiasm and honor. We also hosted a booth at the event, sharing the values of Scouting with attendees. A special thanks to all the volunteers who helped make this possible and to the Arizona Bowl for giving us this incredible opportunity to be part of such a memorable event.
