

**Catalina Council
Boy Scouts of America**

**Camp Lawton
Adirondack Damage Policy Acknowledgement**

Catalina Council has made significant capital improvements to Camp Lawton over the past year through the generosity of Angel Charities and many donors. Using these Adirondacks is a privilege and will provide safe and fun camping opportunities for Cub Scouts, Webelos Scouts, Boy Scouts, Venturers, Explorers, Adult Leaders, and friends of scouting for many years to come.

Upon arrival to your campsite, please carefully inspect each Adirondack for damage. Look for holes, loose/broken boards, broken/unstable bunks, ripped doorway coverings, writing/graffiti on the walls, loose roof pieces. Please report any damage immediately to your Staff Guide or Camp Commissioner during Summer Camp or to the Camp Master and/or Camp Ranger during the rest of the year. The Staff Guide or Camp Commissioner or Camp Master or Camp Ranger will verify the damage and fix the damage as quickly as possible. Until the damage is fixed, we request that your unit does not use the damaged Adirondack(s).

At the end of your camping experience, please inspect the Adirondacks as above with the Staff Guide or Camp Commissioner or Camp Master or Camp Ranger. **DO NOT LEAVE CAMP WITHOUT DOING THIS.** All damage will be the responsibility of the unit. **The charge per inch of damage or writing or drawing is \$25.00 which must be paid before leaving camp or will be charged to the unit's Sundry Account with Catalina Council.**

Please help us use our Adirondacks for many years to come. Talk to your unit about our damage policy.

Please do not damage our Adirondacks.

Please do not write on or draw on our Adirondacks.

Please do not eat in our Adirondacks.

Please do not drink in our Adirondacks (water is OK!).

Please do not have fires or propane lanterns in our Adirondacks.

Please do not put nails into our Adirondacks (use rope to hang things up and take your rope at the end of your stay).

Please RESPECT our Adirondacks.

We acknowledge that we have read this policy and will communicate this policy to our unit. We also acknowledge that we will be responsible for any damage to the Adirondacks in our campsite at a rate of \$25.00 per inch of damage or writing or drawing.
