CATALINA COUNCIL BOY SCOUTS OF AMERICA

2016 ANNUAL REPORT

CATALINA COUNCIL

Every new generation relies on the previous one. The experiences we have as we mature to adulthood provides us with knowledge and skills that are meant to be shared. By sharing, we pass the torch to the next generation in a way that helps prepare them to meet new challenges and difficulties.

Scouting provides an avenue for adults to make a difference in the life of a child. Years after youth experience Scouting, 84 percent of men agree that "The values I learned in Scouting continue to be important to me." There is a high correlation between Scouting and future achievements.

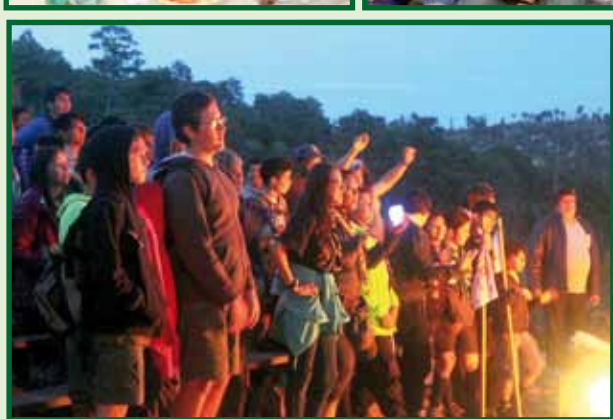

Your investment in the Boy Scouts of America provides youth outstanding camps, programs and training in communities throughout Southern Arizona. Each dollar given is an investment in the character, citizenship and fitness of tomorrow's leaders.
