

2020 District Award of Merit Recipient  
February 9, 2021  
**Brie Mullen**

A woman of many hats. Both personally and professionally, Brie has dedicated herself to ensuring a better future for our children and their families. By day, Brie works to increase learning opportunities and academic success for students.

Working alongside Neuroscientist and Learning Engineers, Brie sells life changing Reading Intervention software and highly awarded and innovative Math, ELA, and World Language curriculums. These resources are turning the tide and closing the academic achievement gap for students worldwide, giving all students a chance to succeed and become confident individuals and contributors.

At closing time, she switches hats, and her focus becomes her family which includes two beautiful children, Webelos Scout-Jaxson, and Lion Cub- Ellis Faye and the light that brought her to Scouting in the first place, her husband Eagle Scout class of 2005-Zack.

The Scout Laws and Oath are the guiding principles they live by day to day and what continually fosters a desire to be a good person, work hard, and to help others. Scouting is the solid foundation on which they have chosen to live their lives. Brie is committed to creating this foundation not just for her family but for all, for years to come.
