

2020 Silver Beaver Award Recipient
February 9, 2021
Greg Reiter

As a youth, Greg was a member of Troop 57 in Saugus, California. Some of his best memories are his Order of the Arrow induction, working on summer camp staff at Camp Whitsett, and the Silver Bear Paw backpacking trip. Greg has worked for DXC Technologies in a variety of roles for 30 years and currently manages a group of computer support specialists. He has been married to his wife Carla for 30 years. He has two daughters, Betsy and Rebecca, and one son, John.

Greg has served in a variety of positions at the Troop, Crew, District, Lodge, and Council. As part of the Advancement Committee, Greg coordinates and oversees the Eagle Scout Boards of Review and Eagle Scout Service Project approvals for the Sky Islands District.

As lifetime Life Scout, Greg finds great satisfaction in seeing today's scouts achieve the rank of Eagle Scout. One of his most rewarding experiences was attending the 2017 National Jamboree as an Associate Crew Advisor with his daughter Rebecca and son John and while there arranging the Eagle Scout Board of Review for John.
