### Pack 107 Rocket Build & Launch

For the past 2 weeks Cub Scouts from Pack 107 have been working on building their rockets and this past Sunday rockets blasted off into the sky.

Shout out to former Pack 107 Cubmaster James Cramton, Owner of Rockery Works and President of Southern Arizona Rocketry Association for his help with this event.

Scout Executive, Jeff Hotchkiss, cleaning up around the Council Service Center.

If your unit would like to earn service hours, please contact [tracey.smalling@scouting.org](mailto:tracey.smalling@scouting.org). We have a few more projects we could use help with at the Service Center.

Troop 157 members - Shooting for the Moon as they work and understand Rocketry at Double V Scout Ranch.

The collage features several elements: a logo for 'Cub Scout PACK 408 Sierra Vista, AZ'; various award certificates and photos of scouts; a photo of a 'Uniform Inspection' event; a photo of 'Personal Derby Cars'; a title 'T445B and G / 5 Mile Hike BROWN CANYON'; and several photos of a group of people hiking on a dirt trail in a desert landscape with mountains in the distance. At the bottom, the text reads 'BLUE AND GOLD "Adventure is Out There"'.
